

Soldier's Wish

(Updated 11/2/2018)

It is the mission of Soldier's Wish to identify and provide for the unmet needs of active duty members, veterans of military service, and their families. Soldier's Wish educates the public about the needs of the veterans and active duty communities, including employment, physical and emotional needs, and emergency and disaster relief. They honor all branches of service, including Army, Navy, Air Force, Marines, and Coast Guard, and encourage the public to join Soldier's Wish in helping meet those needs through volunteering and other means.
