

(Updated 7/2020)

Lutheran World Relief seeks to assist communities living in extreme poverty by helping people adapt to the challenges that threaten their livelihoods and well-being. It is the mission of Lutheran World Relief to partner with communities to build rural economies and to provide aid in emergencies regardless of race, religion or nationality. These donors support Lutheran World Relief in their efforts to help people build self-sufficiency and create new community-owned approaches to problem-solving that will last long after our projects end.
